

Shuddhi Jain

Impassioned to work for a SDE post

Hey there, Shuddhi Jain here seeking a beginner role to execute my technical knowledge every day to explore a software development post, with my current knowledge loop getting executed at Haldia Institute of Technology. I seek new challenges and try to think out-of-the-box while looking for creative solutions to a given problem. Certified in C, C++, Frontend Development, Devop Tools(Docker, Linux, Sql,). involving my freetime Content Writing
